## **LETTER FROM ENA BOARD**

If you received a copy of this Membership Directory, you chose to voluntarily be part of our association and to support the active and productive work of extraordinarily committed volunteers and Eastwood neighbors. Thank you for donating the annual membership fees and financially supporting different projects conceived by the dedicated members of ENA Board of Directors for the betterment of our neighborhood.

This directory is published every two years to serve as a tool for you to connect with your neighbors on issues of shared interest, but the main reason is the safety of our neighborhood. Thanks to Darrell Wood and the Volunteers in Patrol (VIP) he coordinates with the support of the NE Division of the Dallas Police Department, our neighborhood is patrolled three times a day from Monday through Friday. If something is amiss at your house, your water main broke, your garage door is open and no one is at home or packages are on your front porch and no one is home (after we ring the doorbell), etc., the VIP members have the information to contact you. It is because of this that we request your most current information.

There is a lot of work involved in the production of this directory. A big thanks to Scooter Smith for the fabulous cover that includes our new logo that he created; and to Annie O'Kelly, the Secretary of our Board, who reviewed, updated, and re-typed the initial pages, and Amy Martin, Brian Cade and Darrell Wood, for the final edit/format.

And to you, our members, thank you for trusting us with your donations and your input, which is always welcome, so together we can keep improving the Eastwood that we all so much enjoy.

## EASTWOOD VOLUNTEERS IN PATROL

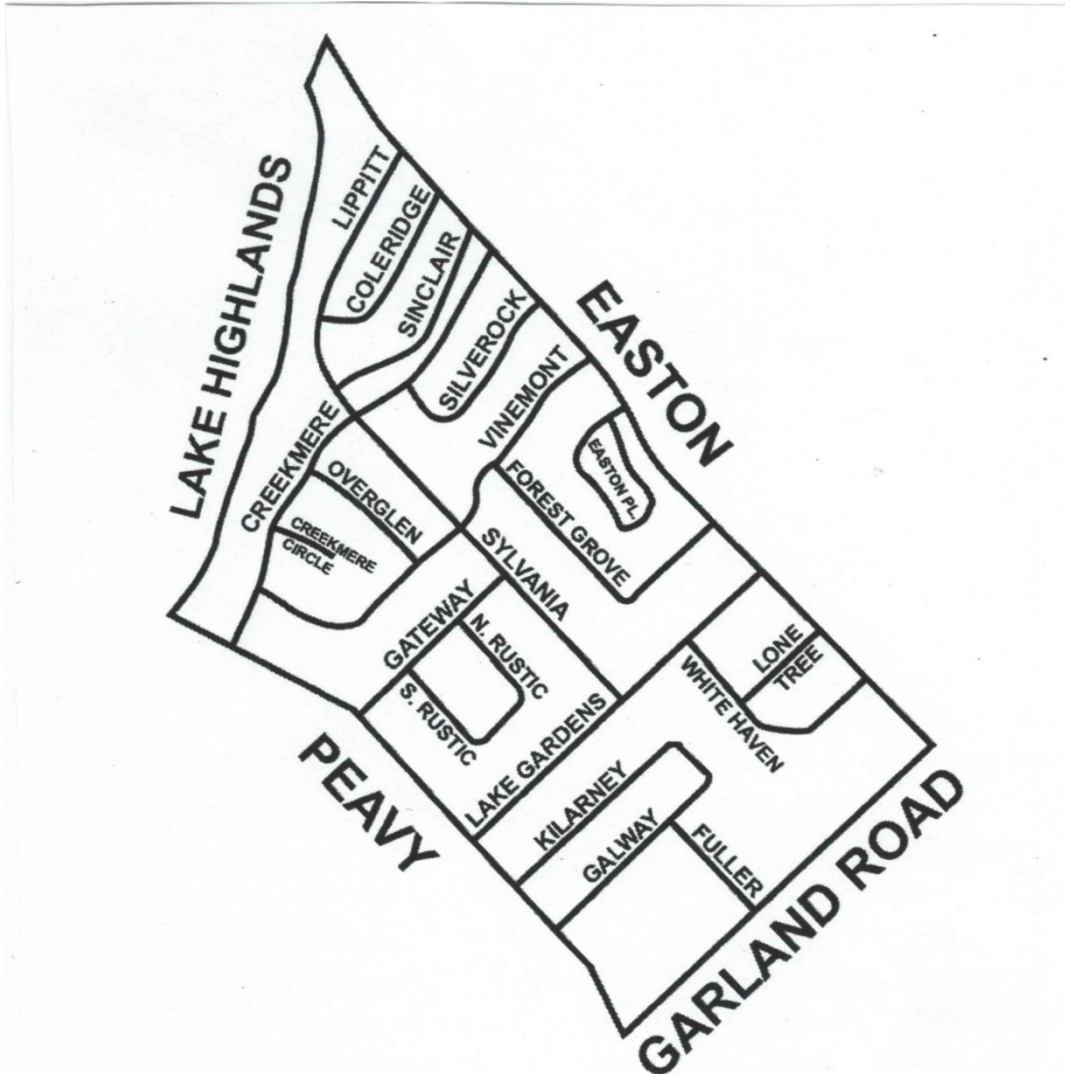

Members of ENA-VIP patrol daily as a team of two in their own vehicles with magnetic signs and an amber light on top of the vehicle or by walking as a team of two. VIP shirts are available for those who wish to wear one and are free. Our boundaries are: Peavy Road to E. Lake Highlands Drive to Easton Road to Garland Road to Peavy Road. We do not patrol the apartments in our area.

Using their own cell phones, they call 911 when suspicious activity is found and request that police to check out the activity. VIP members serve as more eyes for the Dallas Police to help lower crime in our area. ***ALL VIP PATROLS ARE NON-CONFRONTATIONAL***

Joining 'Volunteers in Patrol is a simple process and the training is something everyone could use. Do the following:

1. Contact Darrell Wood, 214-321-5369, or 214-923-1640 Captain, Eastwood & RA #1127 VIP and ask for an application, complete and submit to DPD-NE VIP Coordinator, 9915 E. NW Highway, Dallas, TX. 75238.
2. Attend the required Four (4) hour training class and get your ID Card. Then sign up for VIP Patrol in the Eastwood & RA # 1127.

## MAP OF EASTWOOD & RA # 1127 VIP PATROL AREA

Volunteers for Eastwood and RA#1127 chose the hours and frequency of their patrol. They use their own vehicles with magnetic signs on the door and an amber light on top when on patrol for visibility to the DPD and those who commit crimes.

## **EASTWOOD RIPARIAN**

The mission of Eastwood Riparian is to improve our neighborhood's quality of life by fostering a healthy natural environment in our park and greenbelt. To bring the benefits of nature to all our neighbors, we:

- repair erosion
- maintain trails
- improve wildlife habitat
- establish native vegetation, and
- hinder invasive and harmful plants.

Spring and fall greenbelt wildflower displays are the work of our volunteers. Look for announcements of plant news and our volunteer days on ENA Nextdoor. Our work is made possible by financial contributions of ENA members.

Eastwood Riparian gathers more or less monthly, depending on weather, to volunteer in our park and greenbelt. Look for our announcements on ENA Nextdoor or newsletter. Our team includes nature and dog enthusiasts, landscape contractors, landscape architects, North Texas Master Naturalists and others ranging from 20s to 60s. Join us by contacting the committee chairperson Michael Parkey.

### **Riparian History**

Eastwood Riparian began in 2002 as a project initiated by Frances Atwood. Neighbors alarmed by erosion along Dixon Branch and its Deep Tributary (which runs between Creekmere and Sinclair) quickly joined her. The riparian erosion damage threatened our many mature trees, street paving, and even underground utility lines. To prevent the installation of another concrete channel such as done along Vinemont, Eastwood Riparian developed ways to stop and repair erosion while protecting our greenbelt. Ginger Travis served as volunteer coordinator from 2002 until 2016 when she retired.

### **Riparian Supporters**

Eastwood Riparian members succeeded in obtaining training and advice from experts in the field, and about \$40,000 in grants and financial support, including from those below.

- City of Dallas, MOWmentum Program
- City of Dallas, Parks and Recreation Department
- City of Dallas, Loving My Community Grant Program
- City of Dallas, Reforestation Fund and Office of the City Forester
- North Texas Master Naturalists
- North Central Texas Council of Governments, The Stream Team
- U.S. Environmental Protection Agency
- National Fish and Wildlife Foundation, Five Star Grant Program
- U.S. Fish and Wildlife Service, Partners for Fish and Wildlife Program
